TAKE COMFORT IN RELIABILITY

The Rheem R92T *Classic Plus*® Series Gas Furnace offers comfort you can count on, plus energy-saving features that make a real difference on your monthly utility bills—making your wallet more comfortable, too.

***Classic Plus*® Series Gas Furnace Model R92T**
92% AFUE* Efficiency

Peace of Mind

Designed with patented features to ensure year-round reliability. And for added peace of mind, our gas furnace is backed by a 10-year conditional parts warranty and a limited lifetime heat exchanger warranty.

Exceptional Quality & Reliability

Quality is in the details of the Rheem R92T *Classic Plus* Series Gas Furnace. It's engineered with the exclusive PlusOne® Ignition System — the most reliable system available.

Lower Utility Bills

An energy-efficient motor keeps you comfortable and saves you money on your monthly utility bill.

A 360° Approach ... And Then Some

We meticulously evaluated every detail of this product from every angle, considering the work that goes into installing and servicing our products, as well as how we can deliver the very best homeowner experience. And then we take it a step further. That's 360°+1. And that's why you can count on your gas furnace to bring you and your family years of comfort.

Engineered for Reliable Comfort

Industry-first patented features and 360°+1 engineering make the Rheem R92T *Classic Plus*® Series Gas Furnace a smart option. From top to bottom, inside and out, and every angle in between, we've thought of everything to bring you **efficient** and **reliable** indoor comfort.

Reliability is of the utmost importance when it comes to your family's comfort. Our *Classic Plus* Series Gas Furnace comes standard with the Rheem-exclusive PlusOne® Ignition System. This proven direct spark ignition (DSI) is one of the most reliable ignition systems available today. Used **exclusively by Rheem** in the Heating and Cooling industry, this technology is the same proven design used on ovens and stoves. Also, our PlusOne® Water Management System includes the industry's first blocked drain sensor, which will shut off your furnace when a drain is blocked, preventing water spillage and potential water damage to your home. It also prevents seasonal start-up issues, which means fewer warranty claims. All this and the **best warranties** in the industry translate to fewer repair bills and more cozy nights at home.

Quiet and efficient comfort is what you get with a Rheem *Classic Plus* Series Gas Furnace. The new patented heat exchanger design provides **improved airflow**, which reduces operating sound by 20%** , making it one of the **quietest furnaces on the market**. And because it's **high-efficiency**, your monthly energy bill will give you even more reasons to smile.

Easy installation and maintenance features benefit consumers, too. This means savings on installation costs and faster, more cost-effective repairs during maintenance. The Rheem *Classic Plus* Series Gas Furnace is also designed with PlusOne® Diagnostics — our industry-first 7-segment LED display, a feature that makes service calls quick and easy.

Reap Savings Through Maximum Efficiency

The R92T *Classic Plus* Series Gas Furnace is not only high performing, it also saves you energy. The constant torque ECM motor maintains efficiency across a range of operating speeds, using less electrical energy than a standard PSC motor. An energy-efficient motor also means a lower monthly utility bill. And this model may qualify for local and/or utility rebates, which can mean even more savings!

Benefits At-A-Glance

Motor:

Constant Torque ECM

Efficiency*:

92% AFUE rating

Rheem.com

* Annual Fuel Utilization Efficiency (AFUE) measures the amount of heat delivered to a home compared to the amount of fuel that is supplied to the unit. Higher AFUE ratings reflect higher efficiency.

** Testing showed, on average, a 20% reduction in sound when compared to previous Rheem gas furnace models.

*** Registration within 60 days of installation, original homeowner and residential application only. See Warranty Card for full details.
